Europe prays and helps..

Dear Friends of 'Together',

Many Communities and Movements are right now offering their help! This includes giving shelter, providing rescue materials, transport and many other kinds of assistance to the persons fleeing Ukraine. Moreover, many prayer meetings were held: on March 2, more than 1000 persons prayed together in Germany; others followed: on March 9 in Austria; on March 18 in Italy and on April 4 in Ireland. Many other Countries and regions are offering prayers for peace, for the end of the war, for Ukraine, for Russia and for our entire Continent. We are daily linked-up through the six-week prayer journey, which this time was mainly prepared in Central-Eastern Europe. It's wonderful to see how 'Together for Europe' is committed to help and pray – it is like a network of prayer that is spreading all over our Continent. Without any doubt, this is what is urgently needed right now.

We now have a request to make to you: on **April 27, we, the Steering Committee will be meeting in Munich, Bavaria and we would like to hear from you via zoon between 6 and 8 p.m. (CET+2)**. We are interested to know how you are coping and what you are doing: where you are helping and praying together! Then we will be able to coordinate better our endeavours: those who are planning or carrying out similar initiatives can contact each other. We are looking forward to have this direct link-up!
